Schedule is subject to change and will be continually updated. We reserve the right to combine, cancel or add classes to accommodate enrollment. Class placement is based on many factors including dancer's age, capabilities, maturity and previous experience. Placement is made with the best interest of the student in mind. Please note that during the first few weeks of classes, teachers may recommend that a student be placed in an alternate class to best accommodate their needs. Competitive companies will not be finalized until the beginning of October to ensure proper placement.

The tentative schedule for the 2024-2025 Dance Season will be continually updated according to enrollment, so check often!
